Revamping the Central Haj Committee

349. SHRI K. RAHMAN: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government are aware of the problem of accommodation faced by the Indian Hajis this year at Mecca and Madina, because of the mis-management by the Central Haj Committee;

(b) the reasons for taking charter Aircraft by the Central Haj Committee for carrying the Haj Pilgrims by-passing the national carrier Air India;

(c) whether Government are aware that the Aircraft chartred by Haj Committee were not airworthy; and

(d) whether Government propose to revamp the Haj Committee and take action against persons responsible for the lapses?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI I.K. GUJRAL): (a) Some complaints regarding accommodation have been brought to the notice of the Government. These relate to distance from the Haram Sharif and inadequacy of facilities in individual buildings. These complaints have been investigated thoroughly. Based on our experience this year, it has been decided that the units lacking in adequate facilities will not be taken for the next Haj.

(b) The decision that aircraft for carrying Haj pilgrims should be charted by the Haj Committee for Haj—1996 was taken by the Government of India because it was felt that this would provide the maximum benefit to the pilgrims. Air India was fully associated and provided technical guidance.

(c) All aircraft chartered by the Haj Committee for the Haj-1996 air charter movement had been technically inspected and certified for airworthiness by the Director General of Civil Aviation before the contracts were signed with charter parties.

(d) The Haj Committee is a statutory body created by Act of Parliament and the question of reconstituting the Haj Committee would be considered in the normal course in terms of the provisions of the Haj Committee Act of 1959.
